Dear Parents of Std 9 and 11,

With the easing of Covid 19 SOPs, it has been decided to have offline exams for the students of std 9 and 11 from 28 th Feb onwards. The duration of the offline exam will be 1.5 hrs for Std 9 and 2 hrs for std 11.

The purpose of these offline exams is to give the children a practice of answering an offline exam and to bring a certain amount of seriousness into the examination process.

We are totally aware of the stress and strain that our children have gone through in the last two years. The purpose of the offline exams is not to add to their stress but to get them used to writing an exam.

We assure you that the marks scored by the children in these exams will not affect their promotion to the next class.

We look forward to your cooperation.
